

Our School, Our Children, Our Future

January 26, 2017

Mission Statement

The mission of the St. Paul the Apostle School Foundation is to provide leadership and funding for projects, programs, equipment, materials and services which will have a direct impact on the development of the whole child and that are outside of the annual school budget. The Foundation will raise money from the school community and friends with the intent to spend these funds on current projects.

YOUR DONATIONS ARE MAKING GREAT THINGS HAPPEN!

On January 19th, our children had a wonderful time celebrating Chinese New Year.

Also in January, the third, fifth and seventh grade students and their parents participated in Internet Safety Workshops.

"It was truly a great program. I thoroughly enjoyed it." (5th & 7th grade parent)

These cultural enrichment experiences and educational workshops would NOT be possible without the generosity and support of our school community.
